

Fostering Healthcare Innovation

COOKIES POLICY

Welcome to www.cemagcare.com which is owned by CEMAG Care. This Cookie Policy is designed to tell you about our practices regarding the collection of information from you when visiting our website through Cookies and other tracking technologies.

On your first visit to this website, you will have seen a pop up to inform you on purposes for which cookies are being used and on means to opt out. You may withdraw your cookie consent at any time by following the instructions described in this Cookies Policy.

After your initial visit to the Website we may change the cookies we use. This cookies policy will always allow you to know who is placing cookies, for what purpose and give you the means to disable them so you should check it from time to time.

01 > What are cookies?

Cookies are text files containing small amounts of information which are downloaded to your device when you visit a website. Cookies are then sent back to the originating web domain on your subsequent visits to that domain. Most web pages contain elements from multiple web domains so when you visit the Website, your browser may receive cookies from several sources.

Cookies are useful because they allow a website to recognise a user's device. Cookies allow you to navigate between pages efficiently, remember preferences and generally improve the user experience. They can also be used to tailor advertising to your interests through tracking your browsing across websites.

Session cookies are deleted automatically when you close your browser and persistent cookies remain on your device after the browser is closed (for example to remember your user preferences when you return to the site).

02 > What types of cookies does CEMAG Care use and how to manage them?

In this category, you will find a description of the categories of cookies CEMAG Care, its affiliates or its contractors use.

2.1 TECHNICAL COOKIE NEEDED FOR ESSENTIAL FUNCTIONS OF THE WEBSITE

- > **Name/ Source:** PHPSESSID
- > **Purpose:** Identification of users
- > **Expiration:** The cookie is automatically removed from your device when you close your browser
- > **Further information and Opt-out means:** You can change your browser settings to accept or decline these cookies. Since the means vary from one browser to another, you should consult the help menu of your browser for more information.

2.2 FUNCTIONALITY COOKIE

- > **Name:** sharethis __unam
- > **Source:** <https://www.sharethis.com>
- > **Purpose:** This cookie makes it possible to implement a file sharing module.
- > **Expiration:** The cookie is automatically removed from your device when you close your browser
- > **Further information and Opt-out means:** You can change your browser settings to accept or decline these cookies. Since the means vary from one browser to another, you should consult the help menu of your browser for more information.

2.3 PERFORMANCE COOKIES

- > **Name:** __utma, __utmb, __utmc, __utmt, __utmz
- > **Source:** Google Analytics
- > **Purpose:** CEMAG Care uses analytic cookies to analyse how the visitors use the website and to monitor the website performance. This allows CEMAG Care to provide a high quality experience by customising its offering and quickly identifying and fixing any issues that could arise. For example, CEMAG Care might use performance cookies to keep track of which pages are most popular, which method of linking between pages is most effective, and to determine why some pages are receiving error messages. It might also use these cookies to highlight articles or site services that could be of interest to you based on your usage of the website. The information collected by the cookies is not associated with the identification data of website users.
- > **Expiration:** Some of these cookies are automatically deleted from your device when you close your browser. Others may last up to 13 months from your last visit to our site.
- > **Further information and Opt-out means:** <https://tools.google.com/dlpage/gaoptout?hl=fr>

03 > Use of IP addresses and web logs

What is an IP address? It is a numeric code that identifies your computer on the internet. Your IP address might also be used to gather broad demographic information.

CEMAG Care may also use your IP address and browser type to help diagnose problems with our server, to administer its website and to improve the quality of the services offered to you. CEMAG Care may perform IP lookups to determine which domain you are coming from (e.g. google.com) to more accurately gauge our users' demographics.

Information from these types of cookies and technologies or about website usage is not combined with information about you from any other source.

04 > Scope of this Cookie Policy

Please note that this cookies policy does not apply to, and we are not responsible for, the privacy practices of third-party websites which may be linked to this website.

05 > How to contact us?

If you have any questions, comments or concerns about this Cookie Policy or the information practices of this site, please contact our Data Protection Officer at: dataprivacy@cemagcare.com

06 > Changes to the Cookies Policy

We may update this cookies policy and we would encourage you to review the policy from time to time to stay informed of how we are using cookies. This cookies policy was last updated on April 1st, 2019.
